4	A. No.	4	A. Because I was then interested in getting into

6	A. No.	6	Q. And why was that?
7	Q. What about at Briggs & Morgan?	7	A. Because I didn't like practicing law.
8	A. No.	8	Q. Fair enough. When you were hired there, with whom
9	Q. After law school, where did you go to work?	9	did you work?
10	A. I went to work in district court Minnesota	10	A. I was a lot of different people.
11	District Court for Judge Phil Bush, Philip Bush.	11	Q. Okay. So the DFL Caucus is a group of members in
12	Q. Was that a one-year clerkship?	12	the House who are members of the DFL; is that
13	A. Yes, kind of. Let me clarify just to be completely	13	correct?
14	accurate. It was a three-month internship	14	A. Yes.
15	fellowship, and then that extended into roughly	15	Q. And what what's the role of the Caucus?
16	around a year and three months. It was three	16	A. The Caucus is basically constitutes the body of
17	months, and then I think we tacked on a year.	17	lawmakers in one particular party or who affiliates
18	Q. And the kind of work you did there?	18	with that party. And then they have a number of

23	Q. And the name of the judge again was?	23	A. So I was a caucus researcher, so I carried out
24	A. Philip D. Bush.	24	research projects for any member of the caucus that

4	Q. He's retired. Have you maintained contact with	4	Q. When you say your role was to staff those

11	A. I went to do document review	11	tasks that they needed done.
12	Q. Okay.	12	Q. Did you work on any PSEO-related issues while you

14	Q. Okay. And how long did you do that?	14	A. I am sure I did.
15	A. Roughly around a year, I think. Let me think.	15	Q. Do you remember any of them?
16	Yeah. Roughly around a year, like, 9 to 11 months,	16	A. No, not specifically the details, but I'm sure I did
17	somewhere in that range.	17	work on PSEO issues.
18	Q. Was that for one firm or you said several different	18	Q. And why are you sure?
19	firms?	19	A. Because that has been a focus I do remember one
20	A. Several firms.	20	specific issue on PSEO. It was around advertising.
21	Q. And after that concluded, where did you go?	21	Could postsecondary institutions advertise, where
22	A. I then worked and that was project-based, so did	22	could they advertise to high school students, like
23	not work, worked, did not work. But then my	23	on billboards and on flyers to come to their

18	of the House, it would have to go back to the voting	18	conversation, divided government versus not divided

7	A. Three years and nine months.	7	A. I believe it was 2016 or '17.
8	Q. Okay. And what inspired your interest in that job	8	Q. Okay. And in what context were the issues?
9	A. I was recruited to be there.	9	A. My my understanding of the issue.

12	Q. Who was that?	12	A. Well, I think you asked two questions. Did I miss
13	A. Brenda Cassellius.	13	the first question when I tried to
14	Q. Can you spell that?	14	Q. Well, I guess my question now is what was what
15	A. Brenda Cassellius.	15	did you understand that issue to be?
16	Q. And her last name, can you spell that?	16	A. My understanding of the issue was that there were
17	A. Cassellius, C-a-s-s-e-l-l-i-u-s.	17	concerns raised around students attending PSEO

7	Q. And you speak about divisions. You're referring to	7	happened in 2020?
8	divisions with the MDE; is that correct?	8	A. I'm sure there is I'm sure there's, you know,
9	A. Correct.	9	some I'm just trying to think. I was not back at
10	Q. And do you know which division originated the	10	the Department, so I did not have active email or
11	proposal for the legislation that initiated the	11	active access to those files at that time
12	A. Yes, the Office of Career and College Success.	12	Q. Okay.
13	Q. Thank you. And do you know who within that division	13	A for the submission process.

15	A. I don't know specifically who all of the people who	15	showing which division your proposal originated in?
16	would have, but I know the director at the time when	16	A. I would imagine so.
17	it was originally proposed was Paula Palmer.	17	Q. And did you review those documents in preparation
18	Q. Okay.	18	for this deposition or in otherwise
19	A. It was the director. I I believe the individual	19	A. No, leading up to 2020, no.
20	who oversees PSEO is Beth Barsness.	20	Q. And just remember to let me finish my sentences
21	Q. And how did you know that the proposal arose with	21	before you go. And did you talk to anyone from
22	that division?	22	those divisions about the 2020 proposal?
23	A. But that is the division that submitted it to us	23	A. No.
24	through our normal process.	24	Q. What became of the 2020 proposal once you came into

6	Q. Both. Okay. Simultaneous introduction in both	6	Q. Did you ever gather any of those documents to give

8	A. Correct.	8	A. I am not sure if I had if I had received those

10	A. The process in 2020 was not the normal process.	10	Q. Okay. And what's your first recollection of

5	Q. Okay. Was the first time you heard about it when	5	Q. Okay. Is that the normal course for counsel to be

7	A. Yes.	7	A. Yes.
8	Q. And you hadn't had any prior discussion about it	8	Q. Okay.

11	members is this is something that we had tried	11	A. One was around, I think, maybe 2015 or 2016 around
12	administratively to see if there was a solution back	12	10th-graders' access to PSEO programs and what
13	in the prior administration, so under the Dayton	13	grades they would need to have, the authority of a
14	administration found that it wasn't and that we	14	PSEO institution to be able to say to determine

20	generally, there were pretty much there were not	20	of that concern?
21	many questions in terms of, like, the general	21	A. I think it was a limitation on what how many

17	A. Not that I recall.	17	Q. Okay. And in preparation for this deposition, did
18	Q. Okay. After the committee what was the was	18	you go back and talk to anyone who might have been
19	there a vote in the committee about whether to let	19	involved in that process?
20	the proposal go forward, or how does that work?	20	A. No.
21	A. So it's I'll just clarify. So it's not a	21	Q. Did you ask them for any documents?

23	just leadership at the time, which is changing,	23	Q. Did anyone give you documents to review from that

3	A. That it should more forward.	3	Q. Okay. And do you remember anything specific about

6	A. They submitted it to us.	6	Q. Okay. And when when the bill is sent to the
7	Q. When you say, "us," you mean?	7	governor's office, how would that be done?
8	A. I'm sorry. Government Relations Division, and then	8	A. That would be done via email.
9	we would send it along in the process.	9	Q. How about when with the
10	Q. And what would do you review it? Do you make	10	A. The Revisor.
11	your own assessment of it? Did you write a memo	11	Q. The Revisor's Office. Thank you.
12	about it?	12	A. That would be done via email.
13	A. Yeah. So we review it. We have the you know,	13	Q. Okay. Did you go back to review those emails in
14	whoever the assistant commissioner was who oversaw	14	preparation for this deposition?

16	pretty pretty like, just make sure that it	16	submitting the Revisor's Office emails. I've got
17	makes sense pretty quickly. And they're reviewing,	17	I'm usually made aware. I get the email back from
18	like, all of the proposals in totality, not just a	18	the team that, "Here's the bill," and bill in
19	single proposal. And it's usually that there may be	19	totality.
20	some proposals here and there that gets individual	20	Q. We already clarified you were assigned to speak on

23	that. And then it is the bill is then reviewed	23	Q. So did you go back and learn how what was said to
24	by multiple multiple channels in the Department.	24	the Revisor's Office?
25	We do send bills past the governor's office as	25	A. Yeah. I mean, my familiarity with the topic didn't
	Page 75		Page 77
1	they have final sign-off on all legislative bills.	1	require me to, like, look at the specific emails
2	And they read the bill in totality. It's usually	2	about this. What we do is, we send a batch of
3	just a policy advisor. And then they give the go	3	proposals to the Revisor's Office, usually, like, 20
4	ahead and then we submit through the Revisor. Or	4	to 50 proposals, and we say, "Here are here's the
5	the whole time we're drafting this, we're working	5	language that we have that we believe is appropriate

13	Q. Okay. So it sounds like there would have been	13	background document about just what what the

18	A. Revisor's Office.	18	the last time I looked at that document was
19	Q. Revisor's Office. Would that have been	19	during the legislative proposal process. I did not
20	communications with any outside organizations?	20	look at it for preparation for here, because I'm
21	A. No, not not on this proposal leading up during	21	very familiar with the background and purpose of the

23	Q. Okay. There were no outside interest groups	23	Q. What about with the communication for the governor's

11	Q. Would there have been possibly have been anything	11	Q. Okay.

13	A. In the 2020-2021 time period, maybe only a bullet	13	Q. Were there any significant discussion that you had

19	were any internal communications about the proposal	19	an election in 2020, right? Yeah. I'm just it
20	in that phase of the development?	20	all that blurs together. For other people,
21	A. I would have done that when we were asked to produce	21	obviously, all this blurs together for me as I'm,
22	documents.	22	like, trying to stack these things together. So
23	Q. In the normal course, would you have expected there	23	there would have been new leadership, right, in the
24	to be a lot of communications about that?	24	committee in 2021. And so in the 2021 session, we

2	A. Not, not at a time.	2	Q. And were those hearings for members only, or was it

20	in statute, and she's seeking advice on how can we	20	the process where we then ultimately had a
